

Assignment #7

Instructor: Ross Maciejewski

1 Assignment 7 Guidelines

You will spend this week and a half working on your class project. As a team, first select $N*2$ papers where N is the number of members of your team. Each team member will then read and write a report on 2 of the N papers, and no teammate may write a report about the same paper. All papers must be <5 years old. Please check venues including IEEE TVCG, IEEE Visweek, Pacific Visualization, and Eurovis.

2 Deadline

- **April 10th (3PM)**

3 Grading

Grading will look at graphics, spelling, grammar and overall content of the summaries.

- No late homework will be accepted
- All homework should be submitted through blackboard
